With over a decade's worth of successful experience in the music and television industry, born in Port Elizabeth and living in Johannesburg since 2011, Earl "Breezy" specialises in Live performances, TV productions, Studio sessions, Local and International tours, music directing and arranging.

Whether its playing bass on Africa's favourite music show Idols SA or producing all the music content and musical directing SAFTA's Best International award winning game show CELEBRITY GAME NIGHT, clients from both the live and studio production world always find professional results working with Earl.

He has personally found great benefit in being a Husband and Father and implementing christian values in his own life.

Breezy's bass rig consists of the LINE 6 helix floor and Elixir strings on his bass ALWAYS!!
